compromise.

Empathy:
We understand
you.

Our Goal

To create financial asset classes targeting the need of every single household in Nigeria. By 2035, we hope to have delivered at least one financial solution to every household.

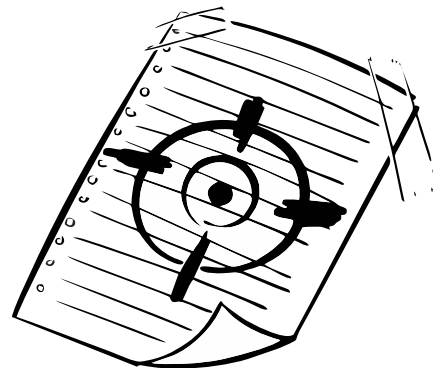

VISION

Our vision is to build a leading, innovative, global service group that transforms businesses.

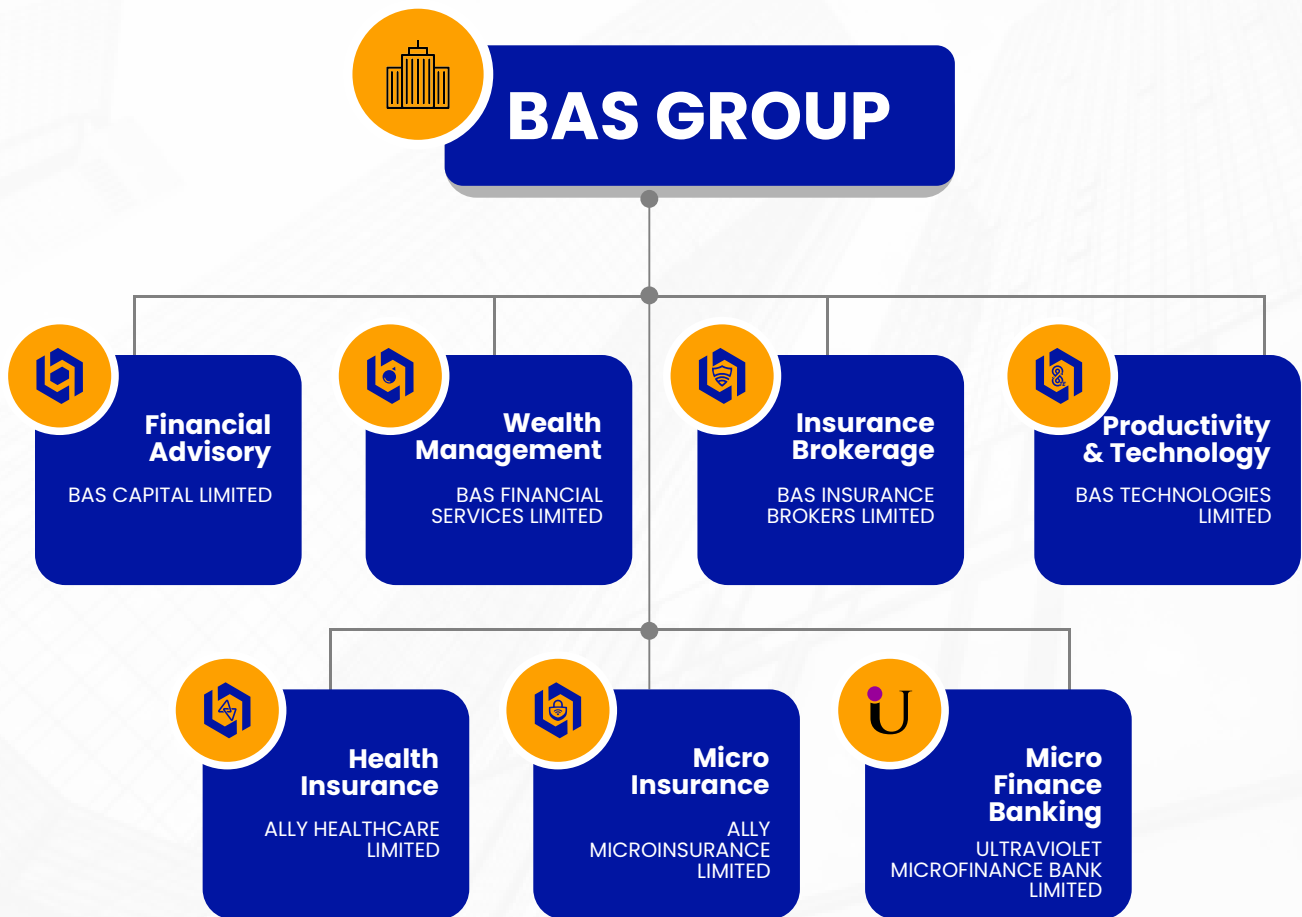

MISSION

BAS will utilise its knowledge and professional capabilities to seek, create and stimulate opportunities for its clients, stakeholders and the society at large to deliver long lasting solutions and verifiable investment opportunities.

OUR ENTITIES STRUCTURE

It All Begins With Wealth

Unlock your path to prosperity with our expert guidance on strategic wealth creation strategies, empowering you to build a robust financial future.

OUR SERVICES

BAS CAPITAL

BAS Capital is a licensed Investment Advisor fully licensed and recognized by the Securities and Exchange Commission (SEC). In Nigeria's finance world, we stand out as a reliable partner.

Think of us as your smart companion, ready to help with funding for individuals and small businesses. Our main aim is to keep you organized and financially stable by making wise decisions about where to invest or get funds, through our advice and management services.

At BAS Capital, we have a methodical approach to handling corporate finance, accounting, audits, and tax advice. We create plans that fit your unique style and goals. Our team of financial and tax experts is well-prepared to plan for your financial future, ensuring steady and consistent growth. We're like superheroes for businesses, helping them thrive and succeed. It's like an exciting story of financial partnership, with BAS Capital guiding the way.

At BAS Capital Limited, we pride ourselves on the significant impact we make through our specialized

services. Our comprehensive approach ensures that each client receives personalized solutions tailored to their unique needs and goals.

Financial Advisory:

We leverage our extensive knowledge and expertise to provide unparalleled financial advisory services. Our team of experts helps clients navigate complex financial landscapes, offering strategic advice that leads to informed decision-making and sustainable growth. Whether you're an individual or an institution, our financial advisory services are designed to maximize your financial health and performance.

Wealth Advisory:

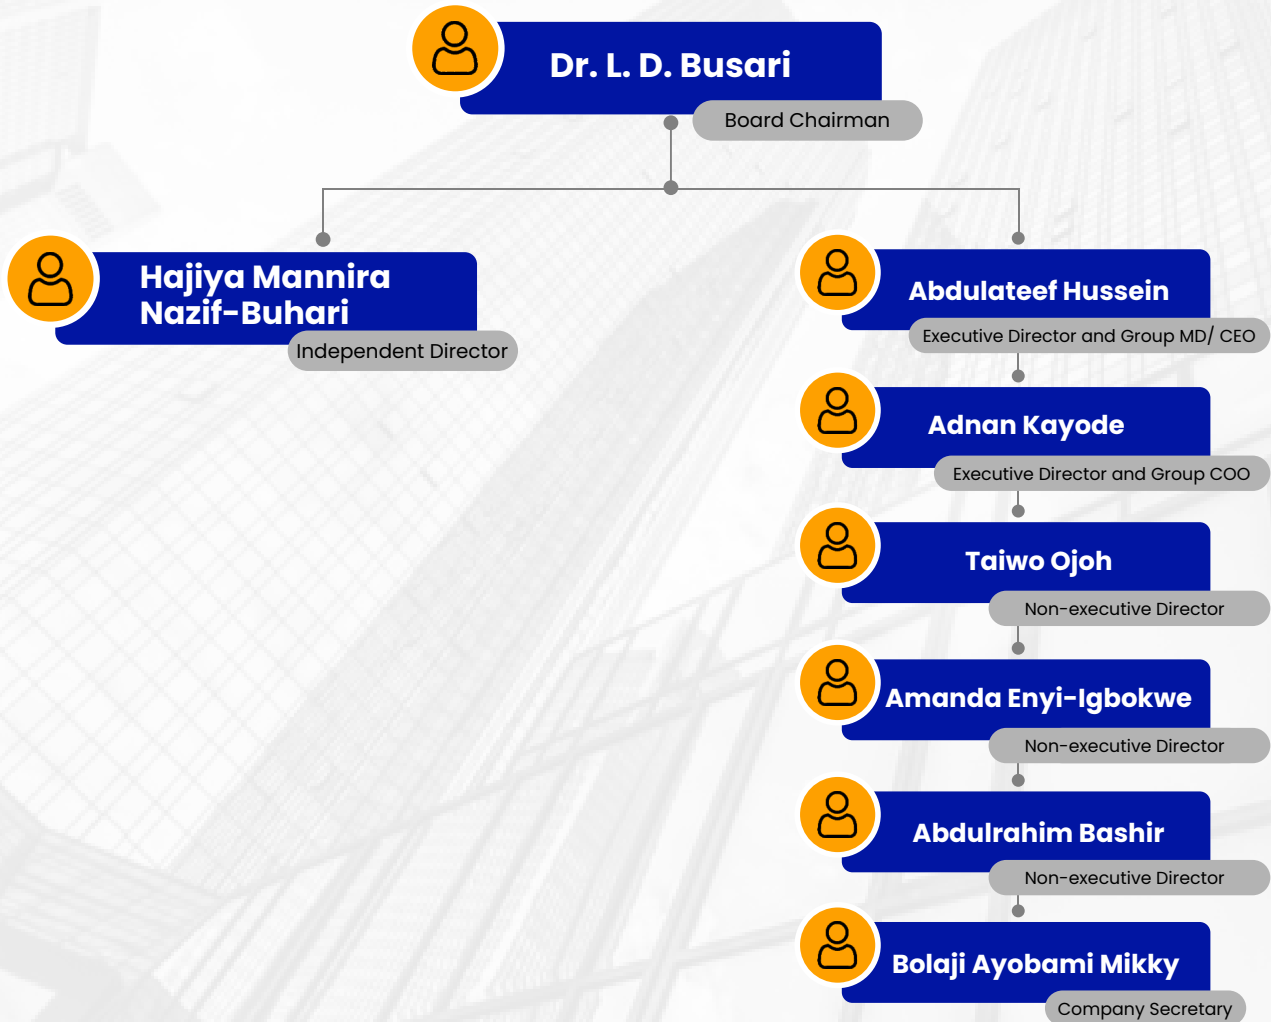

Our wealth advisory services are crafted to cater to high-net-worth individuals and families. We offer personalized financial counseling, brokerage, and transaction services, ensuring that your wealth is managed efficiently and effectively. Our approach is holistic, taking into account your long-term goals and aspirations to create a wealth management plan that secures your financial future and legacy.

Real Estate Advisory:

In the realm of real estate, BAS Capital Limited stands out for its comprehensive advisory services. We assist clients in navigating the complexities of real estate investments and transactions, providing insights and strategies that lead to profitable outcomes. Our real estate advisory services are designed to help you make informed decisions, whether you are buying, selling, or managing real estate assets.

OUR BOARD STRUCTURE

BOARD PROFILE
